Is your institution a member of an HEA Title II Teacher Quality Partnership (TQP) grant awarded by the U.S. Department of Education?

<https://www2.ed.gov/programs/tqpartnership/awards.html>

- Yes
 No

If yes, provide the following:

AWARD YEAR

GRANTEE NAME

PROJECT NAME

GRANT NUMBER

LIST PARTNER DISTRICTS/LEAS (ONE PER LINE)

LIST OTHER PARTNERS (ONE PER LINE)

PROJECT TYPE

- Residency
- Pre-baccalaureate
- Both Residency and Pre-baccalaureate

List of Programs

On this page, review the list of teacher preparation programs offered by your institution of higher education (IHE) or organization. If you submitted an IPRC last year, this list of programs is pre-loaded from your prior year's report. If your IHE offers both traditional and alternative programs, be sure to enter the programs in the appropriate reports. For the traditional report, list all traditional programs within the IHE. For the alternative report, list all alternative programs within the IHE. You may edit, delete, and insert new rows as necessary.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page. The system will automatically total the number of programs for you.

THIS PAGE INCLUDES:

>> [Program Information](#)

Program Information

List each teacher preparation program included in your traditional route. Indicate if your program or programs participate in a Teacher Quality Partnership Grant awarded by the U.S. Department of Education as described at <https://www2.ed.gov/programs/tqpartnership/awards.html>.

Teacher Preparation Programs	Teacher Quality Partnership Grant Member?	Update
Agriculture	No	
Early Childhood	No	
Elementary	No	
English	No	
Health & Sports Science	No	
Mathematics	No	
Music	No	
Science	No	
Social Science	No	
Special Education	No	

Total number of teacher preparation programs: 10

Program Requirements

On this page, review and enter information about the program requirements for admission into the program, program completion, and supervised clinical experience. If you submitted an IPRC last year, much of this page is pre-loaded from your prior year's report. If your IHE offers both traditional and alternative programs, be sure to specify the requirements in the appropriate reports. For the traditional report, provide the requirements for traditional programs within the IHE. For the alternative report, provide the requirements for the alternative programs within the IHE.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.

THIS PAGE INCLUDES:

- >> [Admissions](#)
- >> [Undergraduate Requirements](#)
- >> [Postgraduate Requirements](#)
- >> [Supervised Clinical Experience](#)

Admissions

1. Indicate when students are formally admitted into your initial teacher certification program:

Sophomore year

If Other, please specify:

2. Does your initial teacher certification program conditionally admit students?

- Yes
 No

3. Provide a link to your website where additional information about admissions requirements can be found:

www.nwosu.edu/education

4. Please provide any additional information about or exceptions to the admissions information provided above:

Candidates can be admitted into the Teacher Education Program as late as their junior or senior year.

Undergraduate Requirements

Please provide the following information about your teacher preparation program's entry and exit requirements. ([§205\(a\)\(1\)\(C\)\(i\)](#))

1. Are there initial teacher certification programs at the undergraduate level?

- Yes
 No

If yes, for each element listed below, indicate if it is required for admission into or exit from any of your teacher preparation program(s) at the undergraduate level. If no, leave the rest of the page blank (or [clear responses already entered](#)) then click save at the bottom of the page.

Element	Required for Entry	Required for Exit

6. Please provide any additional information about the information provided above:

Supervised Clinical Experience

Provide the following information about supervised clinical experience in 2015-16. ([§205\(a\)\(1\)\(C\)\(iii\)](#), [§205\(a\)\(1\)\(C\)\(iv\)](#))

[Additional guidance on reporting supervised clinical experience and nonclinical coursework.](#)

Average number of clock hours of supervised clinical experience required prior to student teaching	160
Average number of clock hours required for student teaching	480
Average number of clock hours required for mentoring/induction support	1
Number of full-time equivalent faculty supervising clinical experience during this academic year	19
Number of adjunct faculty supervising clinical experience during this academic year (IHE and PreK-12 staff)	7
Number of students in supervised clinical experience during this academic year	41

Please provide any additional information about or descriptions of the supervised clinical experiences:

Student teachers, supervisors and cooperating teacher are furnished with the link on NWOSU website for the Teacher Education Handbook.

Enrollment

THIS PAGE INCLUDES:

>> [Enrollment](#)

On this page, enter the number of candidates for an initial teaching credential who are enrolled in the initial teacher preparation programs within your institution of higher education (IHE) or organization. **Do not** report on the total number of students enrolled in the entire IHE. **Do not** include individuals who currently hold a teaching credential and are seeking additional licenses or endorsements, or individuals preparing for school-based careers other than classroom teachers (e.g., administrators, guidance counselors).

The Department recognizes that in many cases, candidates voluntarily report their race/ethnicity and gender data, and that in some cases, candidates may choose not to report this information. Please report on the race/ethnicity data you have available, though the data may not be complete. It is not expected that the sum of the enrolled students reported by race/ethnicity or by gender will necessarily equal the total number of students enrolled.

If your IHE offers both traditional and alternative programs, be sure to enter the candidates enrolled in the appropriate reports. For the traditional report, provide only the candidates enrolled in traditional programs within the IHE. For the alternative report, provide only the candidates enrolled in the alternative programs within the IHE.

After entering the enrollment data, save the page using the floating save box at the bottom of the page.

Enrollment

For the purpose of Title II reporting, an enrolled student is defined as a student who has been admitted to a teacher preparation program, but who has not completed the program during the academic year being reported. An individual who completed the program during the academic year being reported is counted as a program completer and *not* an enrolled student.

[Additional guidance on reporting race and ethnicity data.](#)

Total number of students enrolled in 2015-16	<input type="text" value="146"/>
Unduplicated number of males enrolled in 2015-16	<input type="text" value="30"/>
Unduplicated number of females enrolled in 2015-16	<input type="text" value="116"/>

Provide the number of students in the teacher preparation program in the following categories. Note that you must report on the number of students by ethnicity and race separately. Individuals who are non-Hispanic/Latino will be reported in one of the race categories. Also note that individuals can belong to one or more racial groups, so the sum of the members of each racial category may not necessarily add up to the total number of students enrolled. ([§205\(a\)\(1\)\(C\)\(ii\)\(H\)](#))

Teachers Prepared

On this page, enter the number of program completers by the subject area in which they were prepared to teach, and by their academic majors. Note that an individual can be counted in more than one academic major and subject area. For example, if an individual is prepared to teach Elementary Education and Mathematics, that individual should be counted in both subject areas. If no individuals were prepared in a particular academic major or subject area, you may leave the cell blank. Please use the "Other" category sparingly, if there is no similar subject area or academic major listed. In these cases, you should use the text box to describe the subject area(s) and/or the academic major(s) counted in the "Other" category.

If your IHE offers both traditional and alternative programs, be sure to enter the program completers in the appropriate reports. For the traditional report, provide only the program completers in traditional programs within the IHE. For the alternative report, provide only the program completers for the alternative programs within the IHE.

After entering the teachers prepared data, save the page using the floating save box at the bottom of the page.

THIS PAGE INCLUDES:

- >> [Teachers Prepared by Subject Area](#)
- >> [Teachers Prepared by Academic Major](#)

Teachers Prepared by Subject Area

Please provide the number of teachers prepared by subject area for academic year 2015-16. For the purposes of this section, number prepared means the number of program completers. "Subject area" refers to the subject area(s) an individual has been prepared to teach. An individual can be counted in more than one subject area. If no individuals were prepared in a particular subject area, please leave that cell blank. ([§205\(b\)\(1\)\(H\)](#))

[Additional guidance on reporting teachers prepared by subject area.](#)

Teachers Prepared by Academic Major

Please provide the number of teachers prepared by academic major for academic year 2015-16. For the purposes of this section, number prepared means the number of program completers. "Academic major" refers to the actual major(s) declared by the program completer. An individual can be counted in more than one academic major. If no individuals were prepared in a particular academic major, please leave that cell blank. ([§205\(b\)\(1\)\(H\)](#))

Please note that the list of majors includes several "Teacher Education" majors, as well as several noneducation majors. Please use care in entering your majors to ensure education-specific majors and non-education majors are counted correctly. For example, if an individual majored in Chemistry, that individual should be counted in the "Chemistry" academic major category rather than the "Teacher Education–Chemistry" category.

[Additional guidance on reporting teachers prepared by academic major.](#)

Program Completers

On this page, enter the total number of individuals who completed the program in AY 2015-16 and the two prior academic years. If you submitted an IPRC last year, the number of program completers for the two prior academic years are pre-loaded from your prior year's report.

A program completer is a person who has met all the requirements of a state-approved teacher preparation program. Program completers include all those who are documented as having met such requirements. Documentation may take the form of a degree, institutional certificate, program credential, transcript or other written proof of having met the program's requirements. In applying this definition, the fact that an individual has or has not been recommended to the state for initial certification or licensure may not be used as a criterion for determining who is a program completer.

An individual cannot be classified as both enrolled and as a program completer at the same time. An enrolled individual is not a program completer. Once an individual has met all the requirements of a state-approved teacher preparation program and becomes a program completer, the individual is no longer classified as enrolled.

After entering the program completers, save the page using the floating save box at the bottom of the page.

THIS PAGE INCLUDES:

>> [Program Completers](#)

Program Completers

Provide the total number of teacher preparation program completers in each of the following academic years.

2015-16	<input type="text" value="41"/>
2014-15	<input type="text" value="37"/>
2013-14	<input type="text" value="42"/>

Annual Goals

On this page, review the annual goals in each subject area listed below. If you submitted an IPRC last year, the goals you entered last year are pre-loaded from your prior year's report. Please respond to the questions to report on progress towards the goals, and set new goals for the next academic year.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.

THIS PAGE INCLUDES:

- >> [Annual Goals - Mathematics](#)
- >> [Annual Goals - Science](#)
- >> [Annual Goals - Special Education](#)
- >> [Annual Goals - Instruction of Limited English Proficient Students](#)
- >> [Assurances](#)

Annual Goals - Mathematics

Each institution of higher education (IHE) that conducts a traditional teacher preparation program (including programs that offer any ongoing professional development programs) or alternative route to state credential program, and that enrolls students receiving Federal assistance under this Act, shall set annual quantifiable goals for increasing the number of prospective teachers trained in teacher shortage areas designated by the Secretary or by the state educational agency, including mathematics, science, special education, and instruction of limited English proficient students. ([§205\(a\)\(1\)\(A\)\(ii\)](#), [§206\(a\)](#))

Information about teacher shortage areas can be found at <https://www2.ed.gov/about/offices/list/ope/pol/tsa.html>.

Please provide the information below about your program's goals to increase the number of prospective teachers in mathematics in each of three academic years.

Academic year 2015-16

1. Did your program prepare teachers in mathematics in 2015-16?

- Yes
 No (leave remaining questions for year blank)

2. How many prospective teachers did your program plan to add in mathematics in 2015-16?

2

3. Did your program meet the goal for prospective teachers set in mathematics in 2015-16?

- Yes
 No
 Not applicable

4. Description of strategies used to achieve goal, if applicable:

5. Description of steps to improve performance in meeting goal or lessons learned in meeting goal, if applicable:

6. Provide any additional comments, exceptions and explanations below:

The math education program coordinator recruits individuals to the mathematics education program when students enroll in college algebra. Campus career and job fairs allow students to view high demand areas from regional school districts. Introductory education courses emphasize high need areas including mathematics. The Teacher Shortage Employment Incentive Program (TSEIP) administered by the Oklahoma State Regents for Higher Education, reimburses eligible student loan expenses or pays an equivalent cash benefit to individuals who graduate from an Oklahoma accredited

teacher education program, receive teaching certification in math, and agree to teach in an Oklahoma public secondary school for at least five years. The students majoring in math are encouraged to complete the TSEIP application. Students also receive information for the Future Teachers scholarship that provides financial incentives for those who choose to teach mathematics.

Academic year 2016-17

7. Is your program preparing teachers in mathematics in 2016-17?

- Yes
 No (leave remaining questions for year blank)

8. How many prospective teachers did your program plan to add in mathematics in 2016-17?

2

9. Provide any additional comments, exceptions and explanations below:

The math education program coordinator recruits individuals to the mathematics education program when students enroll in college algebra. Campus career and job fairs allow students to view high demand areas from regional school districts. Introductory education courses emphasize high need areas including mathematics. The Teacher Shortage Employment Incentive Program (TSEIP) administered by the Oklahoma State Regents for Higher Education, reimburses eligible student loan expenses or pays an equivalent cash benefit to individuals who graduate from an Oklahoma accredited teacher education program, receive teaching certification in math, and agree to teach in an Oklahoma public secondary school for at least five years. The students majoring in math are encouraged to complete the TSEIP application. Students also receive information for the Future Teachers scholarship that provides financial incentives for those who choose to teach mathematics.

Academic year 2017-18

10. Will your program prepare teachers in mathematics in 2017-18?

- Yes
 No (leave remaining questions for year blank)

11. How many prospective teachers does your program plan to add in mathematics in 2017-18?

2

12. Provide any additional comments, exceptions and explanations below:

The math education program coordinator recruits individuals to the mathematics education program when students enroll in college algebra. Campus career and job fairs allow students to view high demand areas from regional school districts. Introductory education courses emphasize high need areas including mathematics. The Teacher Shortage Employment Incentive Program (TSEIP) administered by the Oklahoma State Regents for Higher Education, reimburses eligible student loan expenses or pays an equivalent cash benefit to individuals who graduate from an Oklahoma accredited teacher education program, receive teaching certification in math, and agree to teach in an Oklahoma public secondary school for at least five years. Students also receive information for the Future Teachers scholarship that provides financial incentives for those who choose to teach mathematics.

Annual Goals - Science

Each institution of higher education (IHE) that conducts a traditional teacher preparation program (including programs that offer any ongoing professional development programs) or alternative route to state credential program, and that enrolls students receiving Federal assistance under this Act, shall set annual quantifiable goals for increasing the number of prospective teachers trained in teacher shortage areas designated by the Secretary or by the state educational agency, including mathematics, science, special education, and instruction of limited English proficient students. ([§205\(a\)\(1\)\(A\)\(ii\)](#), [§206\(a\)](#))

Information about teacher shortage areas can be found at <https://www2.ed.gov/about/offices/list/ope/pol/tsa.html>.

Please provide the information below about your program's goals to increase the number of prospective teachers in science in each of three academic years.

Academic year 2015-16

1. Did your program prepare teachers in science in 2015-16?

- Yes
 No (leave remaining questions for year blank)

2. How many prospective teachers did your program plan to add in science in 2015-16?

3. Did your program meet the goal for prospective teachers set in science in 2015-16?

- Yes
 No
 Not applicable

4. Description of strategies used to achieve goal, if applicable:

5. Description of steps to improve performance in meeting goal or lessons learned in meeting goal, if applicable:

6. Provide any additional comments, exceptions and explanations below:

Academic year 2016-17

7. Is your program preparing teachers in science in 2016-17?

- Yes
 No (leave remaining questions for year blank)

8. How many prospective teachers did your program plan to add in science in 2016-17?

9. Provide any additional comments, exceptions and explanations below:

The science education program coordinator speaks to the students in the lower level science courses each semester to encourage them to become science educators. Campus career and job fairs allow students to view high demand areas from regional school districts. Introductory education courses emphasize high need areas including science. The Teacher Shortage Employment Incentive Program (TSEIP) administered by the Oklahoma State Regents for Higher Education, reimburses eligible student loan expenses or pays an equivalent cash benefit to individuals who graduate from an Oklahoma accredited teacher education program, receive teaching certification in science, and agree to teach in an Oklahoma public secondary school for at least five years. The students majoring in science are encouraged to complete the TSEIP application. Students also receive information for the Future Teachers scholarship that provides financial incentives for those who choose to teach science.

Academic year 2017-18

10. Will your program prepare teachers in science in 2017-18?

- Yes
 No (leave remaining questions for year blank)

11. How many prospective teachers does your program plan to add in science in 2017-18?

1

12. Provide any additional comments, exceptions and explanations below:

The science education program coordinator speaks to the students in the lower level science courses each semester to encourage them to become science educators. Campus career and job fairs allow students to view high demand areas from regional school districts. Introductory education courses emphasize high need areas including science. The Teacher Shortage Employment Incentive Program (TSEIP) administered by the Oklahoma State Regents for Higher Education, reimburses eligible student loan expenses or pays an equivalent cash benefit to individuals who graduate from an Oklahoma accredited teacher education program, receive teaching certification in science, and agree to teach in an Oklahoma public secondary school for at least five years. The students majoring in science are encouraged to complete the TSEIP application. Students also receive information for the Future Teachers scholarship that provides financial incentives for those who choose to teach science.

Annual Goals - Special Education

Each institution of higher education (IHE) that conducts a traditional teacher preparation program (including programs that offer any ongoing professional development programs) or alternative route to state credential program, and that enrolls students receiving Federal assistance under this Act, shall set annual quantifiable goals for increasing the number of prospective teachers trained in teacher shortage areas designated by the Secretary or by the state educational agency, including mathematics, science, special education, and instruction of limited English proficient students. ([§205\(a\)\(1\)\(A\)\(ii\)](#), [§206\(a\)](#))

Information about teacher shortage areas can be found at <https://www2.ed.gov/about/offices/list/ope/pol/tsa.html>.

Please provide the information below about your program's goals to increase the number of prospective teachers in special education in each of three academic years.

Academic year 2015-16

1. Did your program prepare teachers in special education in 2015-16?

- Yes
 No (leave remaining questions for year blank)

2. How many prospective teachers did your program plan to add in special education in 2015-16?

3

3. Did your program meet the goal for prospective teachers set in special education in 2015-16?

- Yes
 No
 Not applicable

4. Description of strategies used to achieve goal, if applicable:

5. Description of steps to improve performance in meeting goal or lessons learned in meeting goal, if applicable:

We hired two faculty with K-12 special education experience. They speak to students in Professional Education classes about becoming a special education teacher.

6. Provide any additional comments, exceptions and explanations below:

The additional course hours Oklahoma requires of special education majors in a content area to be "highly qualified" makes it difficult to recruit for this major due to the increased cost of taking those hours.

Academic year 2016-17

7. Is your program preparing teachers in special education in 2016-17?

- Yes
- No (leave remaining questions for year blank)

8. How many prospective teachers did your program plan to add in special education in 2016-17?

2

9. Provide any additional comments, exceptions and explanations below:

The additional course hours Oklahoma requires of special education majors in a content area to be "highly qualified" makes it difficult to recruit for this major due to the increased cost of taking those hours.

Academic year 2017-18

10. Will your program prepare teachers in special education in 2017-18?

- Yes
- No (leave remaining questions for year blank)

11. How many prospective teachers does your program plan to add in special education in 2017-18?

2

12. Provide any additional comments, exceptions and explanations below:

The additional course hours Oklahoma requires of special education majors in a content area to be "highly qualified" makes it difficult to recruit for this major due to the increased cost of taking those hours.

Annual Goals - Instruction of Limited English Proficient Students

Each institution of higher education (IHE) that conducts a traditional teacher preparation program (including programs that offer any ongoing professional development programs) or alternative route to state credential program, and that enrolls students receiving Federal assistance under this Act, shall set annual quantifiable goals for increasing the number of prospective teachers trained in teacher shortage areas designated by the Secretary or by the state educational agency, including mathematics, science, special education, and instruction of limited English proficient students. ([§205\(a\)\(1\)\(A\)\(ii\)](#), [§206\(a\)](#))

Information about teacher shortage areas can be found at <https://www2.ed.gov/about/offices/list/ope/pol/tsa.html>.

Please provide the information below about your program's goals to increase the number of prospective teachers in instruction of limited English proficient students in each of three academic years.

Academic year 2015-16

1. Did your program prepare teachers in instruction of limited English proficient students in 2015-16?

- Yes
 No (leave remaining questions for year blank)

2. How many prospective teachers did your program plan to add in instruction of limited English proficient students in 2015-16?

3. Did your program meet the goal for prospective teachers set in instruction of limited English proficient students in 2015-16?

- Yes
 No
 Not applicable

 No (leave remaining questions for year blank)

8. How many prospective teachers did your program plan to add in instruction of limited English proficient students in 2016-17?

9. Provide any additional comments, exceptions and explanations below:

Academic year 2017-18

10. Will your program prepare teachers in instruction of limited English proficient students in 2017-18?

- Yes
 No (leave remaining questions for year blank)

11. How many prospective teachers does your program plan to add in instruction of limited English proficient students in 2017-18?

12. Provide any additional comments, exceptions and explanations below:

Assurances

Please certify that your institution is in compliance with the following assurances. ([§205\(a\)\(1\)\(A\)\(iii\)](#), [§206\(b\)](#)) Note: Be prepared to provide documentation and evidence for your responses, when requested, to support the following assurances.

1. Preparation responds to the identified needs of the local educational agencies or States where the program completers are likely to teach, based on past hiring and recruitment trends.

- Yes
- No

2. Preparation is closely linked with the needs of schools and the instructional decisions new teachers face in the classroom.

- Yes
- No

3. Prospective special education teachers are prepared in core academic subjects and to instruct in core academic subjects.

- Yes
- No
- Program does not prepare special education teachers

4. Prospective general education teachers are prepared to provide instruction to students with disabilities.

- Yes
- No

5. Prospective general education teachers are prepared to provide instruction to limited English proficient students.

- Yes
- No

6. Prospective general education teachers are prepared to provide instruction to students from low-income families.

- Yes
- No

7. Prospective teachers are prepared to effectively teach in urban and rural schools, as applicable.

- Yes
- No

8. Describe your institution's most successful strategies in meeting the assurances listed above:

A common thread throughout NWOSU Education Programs includes studies of diversity. Our field based experiences include all areas of diversity. Candidates are required to observe students in a variety of settings which include areas of poverty, urban and rural schools, and children with special needs. All teacher education candidates are required to complete courses with the content of teaching students with special needs.

Low-Performing

THIS PAGE INCLUDES:

>> [Low-Performing](#)

On this page, review the questions regarding your program's approval/accreditation and whether your program has been designated as low performing by the state. If you submitted an IPRC last year, this section is pre-loaded from your prior year's report; please review and update as necessary.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.

Low-Performing

Provide the following information about the approval or accreditation of your teacher preparation program. ([§205\(a\)\(1\)\(D\)](#), [§205\(a\)\(1\)\(E\)](#))

1. Is your teacher preparation program currently approved or accredited?

- Yes
 No

If yes, please specify the organization(s) that approved or accredited your program:

- State
 NCATE
 TEAC
 CAEP
 Other specify:

2. Is your teacher preparation program currently under a designation as "low-performing" by the state (as per section 207(a) of the HEA of 2008)?

- Yes
 No

Use of Technology

THIS PAGE INCLUDES:

>> [Use of Technology](#)

On this page, review the questions regarding your program's use of technology. If you submitted an IPRC last year, this section is pre-loaded from your prior year's report; please review and update as necessary.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.

Use of Technology

1. Provide the following information about the use of technology in your teacher preparation program. Please note that choosing 'yes' indicates that your teacher preparation program would be able to provide evidence upon request. ([§205\(a\)\(1\)\(F\)](#))

Does your program prepare teachers to:

- a. integrate technology effectively into curricula and instruction

Yes
 No

- b. use technology effectively to collect data to improve teaching and learning

Yes
 No

- c. use technology effectively to manage data to improve teaching and learning

Yes
 No

- d. use technology effectively to analyze data to improve teaching and learning

Yes
 No

2. Provide a description of the evidence that your program uses to show that it prepares teachers to integrate technology effectively into curricula and instruction, and to use technology effectively to collect, manage, and analyze data in order to improve teaching and learning for the purpose of increasing student academic achievement. Include a description of the evidence your program uses to show that it prepares teachers to use the principles of universal design for learning, as applicable. Include planning activities and a timeline if any of the four elements listed above are not currently in place.

Students learn to implement technology through course activities, presentations and assignments all of which are aligned with the ISTE standards. When planning lessons, students are required to incorporate technology as both a learning strategy and a learning activity. As a part of the Teacher Work Sample, students use technology to collect, manage, and analyze data in their determination of the impact on student learning as a result of the lesson. A review of the professional education curriculum resulted in the addition of an education technology class be implemented in Fall 2015.

Teacher Training

THIS PAGE INCLUDES:

>> [Teacher Training](#)

On this page, review the questions about how your program trains general education teachers and special education teachers. For the purposes of these questions, general education teachers means those who are not specifically prepared as special education teachers. If you submitted an IPRC last year, this section is pre-loaded from your prior year's report; please review and update as necessary.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.

Teacher Training

Provide the following information about your teacher preparation program. Please note that choosing 'yes' indicates that your teacher preparation program would be able to provide evidence upon request. [\(§205\(a\)\(1\)\(G\)\)](#)

1. Does your program prepare general education teachers to:

a. teach students with disabilities effectively

- Yes
 No

b. participate as a member of individualized education program teams

- Yes
 No

c. teach students who are limited English proficient effectively

- Yes
 No

2. Provide a description of the evidence your program uses to show that it prepares general education teachers to teach students with disabilities effectively, including training related to participation as a member of individualized education program teams, as defined in section 614(d)(1)(B) of the Individuals with Disabilities Education Act, and to effectively teach students who are limited English proficient. Include planning activities and a timeline if any of the three elements listed above are not currently in place.

A required course for all education majors is specifically designed to address the recognition and subsequent learning strategies for individuals who meet IDEA guidelines. Parents of children with special needs are guest speakers in classes as are professionals from teaching associations who discuss the importance of teaching students with disabilities. Mock IEP meetings are conducted in which students role-play certain parts of the meeting along with faculty to allow students to experience the importance of each role in the IEP process. Lesson and unit plans developed by students must include instructional strategies for those with disabilities and those who have limited English proficiency. Field experiences include classrooms in which there are students with disabilities and limited English proficiency.

3. Does your program prepare special education teachers to:

a. teach students with disabilities effectively

- Yes
 No
 Program does not prepare special education teachers

b. participate as a member of individualized education program teams

- Yes
- No
- Program does not prepare special education teachers

c. teach students who are limited English proficient effectively

- Yes
- No
- Program does not prepare special education teachers

4. Provide a description of the evidence your program uses to show that it prepares special education teachers to teach students with disabilities effectively, including training related to participation as a member of individualized education program teams, as defined in section 614(d)(1)(B) of the Individuals with Disabilities Education Act, and to effectively teach students who are limited English proficient. Include planning activities and a timeline if any of the three elements listed above are not currently in place.

In addition to the courses above, special education candidates complete additional rigorous special education coursework and a minimum of 90 practicum hours working with special education teachers and students. Candidates preparing for a special education degree have extensive training in completing the paperwork required for an IEP and the role of the special education teacher in this team. A faculty member with ELL training conducts a teaching unit to one of the special education classes.

Contextual Information

On this page, review the contextual information about your program. If you submitted an IPRC last year, this section is pre-loaded from your prior year's report; please review and update as necessary.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.

THIS PAGE INCLUDES:

>> [Contextual Information](#)

Contextual Information

Please use this space to provide any additional information that describes your teacher preparation program(s). You may also attach information to this report card (see below). The U.S. Department of Education is especially interested in any evaluation plans or interim or final reports that may be available.

Northwestern Oklahoma State University established the Teacher Education Assessment Management System (TEAMS) to collect and analyze data which is then presented to the Teacher Education Faculty for program and division improvement. Data for program completers is consistent with Westat.

Supporting Files

No files have been provided.

You may upload files to be included with your report card. You should only upload PDF or Microsoft Word or Excel files. These files will be listed as links in your report card. Upload files in the order that you'd like them to appear.

Report Card Certification

Please make sure your entire report card is complete and accurate before completing this section. Once your report card is certified you will not be able to edit your data.

Enrollment Confirmation

Total Title II enrollment from Section I: Program Information, Enrollment is **146**.

Number of program completers from Section I: Program Information, Program Completers is **41**.

For a total enrollment of **187**.

Certification of submission

I certify that, to the best of my knowledge, the information in this report is accurate and complete and conforms to the definitions and instructions used in the *Higher Education Opportunity Act, Title II: Reporting Reference and User Manual*.

NAME OF RESPONSIBLE REPRESENTATIVE FOR TEACHER PREPARATION PROGRAM:

Dr. Christee L. Jenlink

TITLE:

Associate Dean, School of Education

Certification of review of submission

I certify that, to the best of my knowledge, the information in this report is accurate and complete and conforms to the definitions and instructions used in the *Higher Education Opportunity Act, Title II: Reporting Reference and User Manual*.
