

Staff Council and Professional Staff Council Meeting

Fall 2023

Joint Meetings

- Kaylyn and Lisa discussed the idea of having joint meetings between Staff Council and Professional Staff Council. The merge of the two councils for meetings would allow the councils to collaborate on projects that are geared toward helping staff on campus. It was discussed that the two councils would meet separately when voting and decision-making had to take place. All members present from the staff council and professional staff council voted to approve joint meetings.

Adopt-A-Flowerbed Project

- Lisa discussed a new idea of asking clubs/organizations, teams, and departments to sponsor a flower bed throughout the year. The sponsor for the flowerbed would be responsible for maintaining the bed throughout the academic year. If we can get this going, it may take place of the Campus Clean-Up event in the Spring. Both councils were in favor of trying the new approach. Lisa noted that she will send out an e-mail to determine which organizations would like to sponsor a flowerbed.
