

Oklahoma state law requires that all new students who attend Oklahoma colleges and universities for the first time provide proof of immunization for certain diseases. If you cannot verify your immunizations you will need to be re-immunized. Medical, religious and personal exemptions are allowed by law and such requests must be made in writing using the NWOSU Student Immunization form at <http://www.nwosu.edu/Recruit/immunization.pdf>.

In order to enroll as a full-time or part-time student at NWOSU, Oklahoma law requires students to provide written documentation of vaccinations against Hepatitis B and Measles, Mumps, and Rubella (MMR) using the NWOSU Student Immunization form at <http://www.nwosu.edu/Recruit/immunization.pdf>. This applies to all students of any age or at any stage of their education. Exemptions from this requirement may be made by providing a written statement from a physician stating that the vaccine is medically contraindicated or by signing a waiver. These vaccinations can be obtained from your family doctor or your community's health department.

University housing requires a meningitis form to be completed prior to a room being assigned. Forms are available online at <http://www.nwosu.edu/Recruit/meninform.pdf> and additional information is available at <http://www.nwosu.edu/Recruit/menininfo.pdf>. All meningitis forms must be turned into the Director of Housing. For questions concerning the meningitis policy please contact Marc Wallace at 580-327-8418 or [mlwallace@nwosu.edu](mailto:mlwallace@nwosu.edu).

All international students are required to have a Tuberculosis Skin Test. They must provide proof of negative test results in the United States. If test result is positive, the student must have a chest x-ray verification that the student does not have TB. For more information please contact the International Student Advisor, Bryan Pope, at 580-327-8435 or [bjpope@nwosu.edu](mailto:bjpope@nwosu.edu).
