

CORE Meeting

October 12, 2011

1:00 pm

- The new T-shirt design was discussed—cost of shirt is \$11.00; past shirts can also be purchased—see Janet
- It was decided that we would like to have Matt Deighton from Greensburg visit the campus. Dr. Mackie will contact him. Possibility that he will come in February, maybe the week of the Big Event
- Volunteers are needed for the Community Service for Thank-a-thon for the Foundation—contact Susan Holliday if you can volunteer (Oct. 25 & 26)
- PLC Recycling Project—Recycling in the dorms
- Better World Books Fall Book Recycling—Around the same time as the Big Event
- The next Film Series movie is planned for November 9, 2011—There was talk about possibly changing the time and/or day in the hopes that more people will show
- *Turn off the Juice* posters were handed out and posted around campus
- Tree Campus USA is going well—Thank you Janet! The 1st draft has been turned in and some corrections need to be made; waiting on responses and then it will be submitted
- Members need to be thinking of ways to celebrate Arbor Day—plant a tree? Bookmarks? Etc.
- Members were also assigned recycling cans to be responsible for emptying—Cassie has the EC building, Adam has Coronado, Erica will watch the can in South Hall, and Alicia will take care of the Fine Arts building and Sports Science
- It was decided that we would like to take a field trip to visit Kathy Moore's Organic Composting Farm. Possible date November 18, but a date will be decided at a later time
- The Oklahoma Environmental Excellence Award reception is November 10, 2011 in Oklahoma City. The cost is \$70 per person
- Members also discussed 'Mighty Wallets' for possible prizes or fundraisers
