Mission Statement

Northwestern Oklahoma State University is a community of learners that includes students, teachers, staff, administrators, and area citizens advancing learning excellence and preparing its members for service as leaders and entrepreneurs in the changing climate of northwest Oklahoma and the world.

General Enrollment Information

(The following information applies to the enrollment procedures for all Northwestern students at the Alva, Enid, and Woodward campuses.)

The scholastic requirement for admission to regular freshman standing is graduation from an accredited high school. Freshmen are also required to participate in the American College Testing Program and are asked to be certain their ACT scores are filed in the Registrar's Office, NWOSU-Alva campus. Students who have not graduated from high school or do not meet regular admission standards may be admitted through one of the special admission categories.

A student entering Northwestern for the first time is required to submit an application for admission, a \$15 non-refundable application fee, and an official high school transcript indicating graduation, class rank, and GPA. An applicant who has enrolled at other colleges or universities is also required to submit an application for admission, a \$15 non-refundable application fee, and a complete official transcript from EACH INSTITUTION previously attended.

Northwestern's admission and retention policy information is available in the Recruitment or Registrar's Office-Alva campus, the Woodward Office, or the Registration Office-Enid campus. Admission applications are also available in the offices listed above or may be downloaded from Northwestern's website. Students are responsible for seeing that all admission requirements have been met. This includes having official transcripts from **all** colleges attended on file in the Registrar's Office-Alva campus.

Enrollments cannot be accepted by mail or telephone.
