

# NORTHWESTERN OKLAHOMA STATE UNIVERSITY

## Mission Statement

Northwestern Oklahoma State University is a community of learners that includes students, teachers, staff, administrators, and area citizens advancing learning excellence and preparing its members for service as leaders and entrepreneurs in the changing climate of northwest Oklahoma and the world.

## General Enrollment Information

**(The following information applies to the enrollment procedures for all Northwestern students at the Alva, Enid, and Woodward campuses.)**

The scholastic requirement for admission to regular freshman standing is graduation from an accredited high school. Freshmen are also required to participate in the American College Testing Program and are asked to be certain their ACT scores are filed in the Registry Office, NWOSU-Alva campus. Students who have not graduated from high school or do not meet regular admission standards may be admitted through one of the special admission categories. Questions regarding resident status are to be directed to the Registrar.

A student entering Northwestern for the first time is required to submit an application for admission, a \$15 non-refundable application processing fee and an official high school transcript indicating graduation, class rank, and GPA. An applicant who has attended other colleges or universities is also required to submit an application for admission, a \$15 non-refundable application processing fee, and a complete official transcript from EACH INSTITUTION previously attended.

Northwestern's admission and retention policy information is available in the Recruitment or Registry Office-Alva campus, the Woodward Office, or the Registration Office-Enid campus. Admission applications are also available in the offices listed above. **Students are responsible for seeing that all admission requirements have been met.** This includes having official transcripts from **all** colleges attended on file in the Registrar's Office-Alva campus.

## CANCELLATION OF COURSES AND STAFFING

NWOSU will attempt to implement this schedule of classes as printed; however, changes or deletions of courses offered, due to insufficient student enrollment per class, instructor, time, etc., may be necessary and will be at the discretion of the schools. Should this become necessary, students will be notified and may adjust their schedules without penalty or receive a full refund for tuition and fees.

## CLASS LOAD

A normal study load for an undergraduate student in an eight-week session is nine (9) hours. Hours completed in an interim session do count in the total summer study load. Approval of the academic dean of the school within which the student is majoring must be obtained for study loads exceeding nine (9) hours. The Executive Vice President must approve an overload schedule over twelve (12) hours during the summer session. This applies to students enrolling in either a combined interim/regular summer term or for only the regular eight-week session. The maximum study load for a graduate student is nine (9) hours, which includes the interim and eight-week summer session inclusive.

Short courses may be **added** without financial penalties until classes begin; however, enrollment fees are due at the time of enrollment.
