

**Academic Assessment: Moving Forward**  
**Faculty Forum**  
**August 29, 2012**

I. Review of 2011-2012 Assessment Process

- *A review of the loop*
- *We want to get through a loop in completing the 2011-2012 plans*
- *Do we have data to complete the plans and close the loop?*
- *If we can't close the loop, why not?*
- *In 2012-2013, we focus on fine-tuning our academic assessment plans*
- *What is working? What isn't?*

II. Student Learning Outcomes: How did we do?

- *How did you develop your SLOs?*
- *What resources did you use to develop them?*

III. Methodologies and Measures: A Closer Look

- *What has helped you to determine how you want to assess your SLOs?*
- *Do your methodologies measure your stated SLOs?*
- *Are they providing the data you need to evaluate student learning?*
- *Do any changes need to be made when we prepare our new plans?*

IV. Best Practices and Examples

- *A look at the Business assessment plan model*

V. The Process for Submission and Review

- *Timeline for submission*
- *Reminder of Regents Report submission along with assessment plans*
- *Questions regarding LiveText and submission?*
