FREE LAUNDRY!!

The affordability of NWDSU made it possible for me to pursue a high-quality education while actively participating in collegiate sports. The reasonable tuition and comprehensive scholarship opportunities enabled me to focus on my studies and athletic commitments, rather than worrying about student debt. Thanks to NWDSU, I am well-prepared for a successful future, academically and athletically.

Student Life

My first year at NWOSU was 2020. I spent that year hiding out in my room and going home every weekend, which turned out to be a terrible thing to do for myself. Northwestern has always offered me multiple opportunities to get involved and create a community of people who always have my back, including tons of events throughout each school year. With such a variety of things to do here, there is no chance that you won't find your people here at Northwestern.
~ Shayna Miller, Tuttle Grad Student Educational Leadership

Why Join the Ranger Family?

#15toFinish

Enroll in 15 credit hours each semester (30 credits/academic year) to stay on track to graduate on time.

The Academic Success Center provides free tutoring!

Approximately half of NWSU students who start their freshman year at NWSU and graduate from here, graduate with **ZERO** debt.

Our students have gone **four** years with **NO** tuition increase!

It was very easy to get involved with the school and meet new people because everyone is so welcoming and helpful. Being in track as well as becoming an RA has also allowed me many different leadership opportunities. Overall, being a Ranger is awesome, and I'm glad I've been able to experience it!

Being a first-generation college student and being unaware of the trials and tribulations that college would bring, I was excited to embark on my college journey. However, throughout my college career, I have come to understand that - with the right amount of determination and hard work - college is not only an educational establishment, but a journey of growth and self-discovery.
