

Registering as a Miss America Contestant

All contestants competing for either Miss or Teen must register for their Miss America membership, which allows them to compete in all levels of Miss America/Miss America's Teen. This is the FIRST STEP to getting the ball rolling to compete in a local competition. The direct link is: <https://www.club.missamerica.org/club-membership>. The membership fee is \$49.99 for the year.

**Please be sure to use the SAME email address and phone number all the way through once you begin completing the Miss America membership.*

***Contestants are responsible for CANCELLING the membership before the one-year "join date" anniversary to avoid being charged again for the annual recurring fee charge.*

****After a contestant completes the membership process, an email containing additional information, including the delegate/contestant contract and a link to set up the SpotFund account to raise money for the American Heart Association will be issued from the Miss America Office.*
