Fall 2020

**INSTRUCTOR:** Shawn Holliday, Ph.D. 580.327.8589 spholliday@nwosu.edu  
Alva campus, Ryerson Hall 212 (M, T, W, R)  
Enid campus, Office 118 (by appointment)

### TEXTBOOK(S):

- Detailed syllabus is provided (also available for download from Graduate Studies web site).
- Graduate Catalog is available for download from the Graduate Studies web site.
- Aurora Learning Community Association (ALCA) membership (for all M.Ed. students except Adult Ed.)

### NORTHWESTERN'S MISSION STATEMENT:

Northwestern Oklahoma State University provides quality educational and cultural opportunities to learners with diverse needs by cultivating ethical leadership and service, critical thinking, and fiscal responsibility.

### EDUCATION PREPARATION PROVIDER MISSION STATEMENT:

"We enlighten and empower our graduates through program excellence to educate those whom they serve."

### COURSE DESCRIPTION AND PREREQUISITES:

An introduction to graduate study, including policies and procedures of the Graduate Studies programs. The seminar will introduce Master of Education students to the Aurora Learning Community Association's web-based assessment system. *Prerequisites: NONE. This course is required during the first semester of enrollment.*

### COMPETENCIES/STANDARDS/GOALS:

#### ISTE STANDARDS:

**1c.** Promote student reflection using collaborative tools to reveal and clarify students' conceptual understanding and thinking, planning, and creative processes

**2d.** Provide students with multiple and varied formative and summative assessments aligned with content and technology standards and use resulting data to inform learning and teaching

### FIELD EXPERIENCE REQUIREMENTS:

All teacher education candidates must provide documentation of eligibility to participate in any required field experience to ensure the safety of children. Background check documents are kept confidential in the School of Education Office. This course, however, requires no field experience assignments.

### DIVERSITY STATEMENT:

The Teacher Education Unit is committed to creating and maintaining a mutually respectful environment that recognizes, invites, and celebrates diversity among all students, candidates, faculty, and staff. NWOSU values human differences as an asset; works to sustain a culture that reflects the interests, contributions, and perspectives of members of diverse groups; and delivers educational opportunities to meet the needs of diverse audiences. The Unit also seeks to instill these values and skills to encourage leadership and service in a global and multicultural society.

\* All students, regardless of their degree plan, must have (1) completed all course work OR be enrolled in the final 9 hours in a regular semester or the final 6 hours in a summer semester and (2) have successfully removed all grades of "Incomplete" from their transcripts before being allowed to take the written comprehensive exam.

## Frequently Encountered Problems

These items are important. They seem to cause the most confusion and frustration.

1. All NWOSU students must have an email account through NWOSU. Primary contact from instructors ~ and from the graduate office ~ is by email. The graduate office personnel will not maintain a list of any non-NWOSU email accounts. Check your email at least once a week; messages to students bounce regularly because their mailbox is full or has not been activated.
2. Graduate students who hold teaching certificates must submit copies of the certificate(s) to the graduate office as part of admission requirements.
3. All graduate students must eventually meet unconditional admission standards; students admitted conditionally must meet the 3.0 GPA requirement within the first sixteen hours.
4. College seniors may take graduate courses in their final semester, up to a full load; they must complete all bachelor's degree requirements by the end of that semester. The student must submit an application for graduate study and meet unconditional admission standard one (2.75 or higher undergraduate GPA).
5. All coursework for a master's degree must be at the 5000-level.
6. Full-time status for a graduate student requires at least nine hours in a regular semester or five hours in a summer term. *Maximum load limit* per semester is twelve hours in a regular semester or nine hours in a summer term (includes the May interim). Exception: in the semester of graduation, including comprehensive examination, capstone project, or action research presentation/defense, students may not exceed nine hours in a regular semester or six hours in a summer term without permission from the Graduate Committee.
7. A final grade of Incomplete must be removed within one calendar year (or less, if the instructor chooses) or the grade will remain on the transcript permanently and the course must be retaken. Students cannot take the comprehensive exam or defend their Action Research Project with incomplete grades remaining on the transcript.
8. Students may transfer up to nine hours into a master's degree program, provided the courses are from an accredited institution of higher education, form an appropriate part of the plan of study, and are approved by the student's advisory committee. Exception: students in the M.Ed. Adult Education Management and Administration program option may transfer the block of eighteen hours of courses in the Field-Specific Courses *if those classes are not available at NWOSU*.
9. At least twenty-three hours, including the final eight hours, must be taken in residence at NWOSU (Exception: students enrolled in the M.Ed. Adult Education Management and Administration program).
10. A maximum of six hours of Individual Study, Readings, Seminar, and Short Courses may be applied to a master's degree plan of study.
11. Consult section 11 of the *Graduate Catalog* for course descriptions; some courses have prerequisites.
12. The master's degree must be completed within a six-year time period; courses that become outdated must be retaken or validated. A master's degree will not be awarded if courses on a plan of study exceed the six-year time limit.
13. "Good standing" status requires a minimum GPA of 3.0. Students who fall below the 3.0 GPA are allowed nine hours to correct the GPA deficiency. The master's degree requires a GPA of 3.0 and no degree will be conferred upon students who do not meet the GPA requirement. Any grade less than "C" is not applicable to the degree plan of study.
14. The university requires at least seventy-five percent attendance to receive credit for any class (the Education Division requires at least ninety-percent). Attendance can affect the final grade for a course. Instructors should have a published attendance policy in the course syllabus.
15. Application for the master's degree is required (with the \$25 application fee) not later than October 15 for December graduation, February 15 for May graduation, or March 15 for July graduation. Failure

to submit the application and fee by the published deadline will cause the degree to be delayed by one semester.

16. Graduating students are expected to attend the commencement ceremony when they complete the master's degree. Convocations are held in December and in May. Students who complete the degree in summer should plan to participate in the May convocation.
17. To complete a second master's degree, a maximum of twelve hours from the first degree can be applied, providing the courses are approved by the advisory committee and fall within the six-year time limit.
18. The comprehensive examination is given each semester, in October, March, and June (no June comprehensive exam is offered for MCP students, however). Consult the *Graduate Catalog*, page 13 for specific dates. Remember the special requirements to sit for the exams: completed all course work OR be enrolled in the final courses, not exceeding nine hours in a regular semester or six hours in a summer term; all grades of Incomplete must have been removed (or the courses retaken); application must be returned to the Office of Graduate Studies by the published deadline. Information about the comprehensive examination is found on page 13 in the *Graduate Catalog*.
19. The Master of Counseling Psychology program and the Masters of Science in General Psychology program are described in Section 7 and 8 of the *Graduate Catalog*. The MCP and MGP programs have additional admission requirements that must be met before enrollment is allowed.
20. Master of Education programs are described in Section 9 of the *Graduate Catalog*. Curriculum outlines for the M.Ed. programs are found in this section.
21. The various certification options are outlined in Section 10 of the catalog, including the School Principal, School Counseling, and Reading Specialist. Students interested in certification in these areas should consult with Ms. Natalie Miller, Assistant Certification Officer, Education Center 205 (telephone 580.328.8441 or email ndmiller@nwosu.edu).
22. Section 11 of the catalog lists approved graduate courses by department or division. Course rotations are available online by consulting the Graduate Studies web page. The rotation schedule will help students develop their degree plan of study.
23. Required forms are available online on the graduate studies website under the "Forms and Plan of Study" tab.
24. By maintaining continuous enrollment in the master's degree program, a student is allowed to complete the degree following policies in place at the time of admission to the program; students who return to the program after one or more semesters of inactivity are required to follow policies in place at the time they return to graduate school.
