

Traffic Records Check

CWPEP applicants who are residents of Oklahoma are required to submit an Oklahoma traffic records check with their application. These can be obtained at the Department of Public Safety (NE 36th & Martin Luther King Blvd., Oklahoma City), or at any Oklahoma tag agency. Please have your driver's license with you for identification.

The cost is \$25.00. Payment must be made in cash to Oklahoma tag agencies. The DPS will accept cash, a personal check, money order or cashiers check payable to the Oklahoma Dept. of Public Safety.

CWPEP applicants from out of state are required to submit a traffic records check from their state of residence.
