

Academic Assessment: Data Day and Discussion
Faculty Forum
May 10, 2013

I. Putting Your Data Together to Close the Loop

- *For completion of your 2012-2013 Academic Assessment Plan, what data do you have? What data do you still need?*
- *What challenges have you met in gathering data?*
- *How can we help you in the timeline of the loop?*
- *Based on your findings, what possible program modifications might you make?*
- *The deadline to submit 2012-2013 plan results is August 30, 2013*

II. Revisiting Methodologies

- *What methodologies are working in your program to give you useful data?*
- *Are they informing your instruction?*
- *Are there additional methodologies that you have utilized which are not included on your assessment plan?*

III. 2013-2014 Academic Assessment Plans

- *Any changes in SLOs from 2012-2013?*
- *Considering SLOs that measure diversity*

IV. Additional Information

- *Changes to the Regents' Report template*
- *Integration of Regents' Report questions into SPA report for Education*
- *Importance of brief, concise overviews in Regents' Report*
- *A faculty assessment forum will be scheduled for September*
- *The deadline to submit 2013-2014 plans is October 18, 2013*
