

Academic Assessment: Data Day and Discussion
Faculty Forum
April 27, 2016

I. ALCA

- Assessment Plans
- Temporary template

II. Assessment Day

- If we were to redesign Assessment Day, what would you want to take place?
- Course evaluations, professional development, satisfaction surveys, mid-level assessment, exit exams

III. Lessons Learned (Table Talk)

- What are 1 or 2 things your department has learned about your program, department, and/or students through the assessment of student learning?
- What are some questions you have about assessment?
