

John F. Kennedy Memorial Award

The Northwestern Oklahoma State University Student Government Association, in order to honor the memory and ideals of our late President, John F. Kennedy, establishes the John F. Kennedy Memorial Award as a living symbol of his service to his country.

To insure that his ideals and said service will be remembered and emulated the Student Government Association institutes the John F. Kennedy Memorial Award, the recipient of which will possess and exemplify the following qualities:

1. Service to college, community, and country
2. Leadership
3. Healthy, aggressive attitude toward academic work

The award will be given to a student of the graduating class.

In order to provide for the selection of a worthy recipient, the Student Government Association shall establish a committee to select said student. Composition of the committee shall include senators of the junior class and the Vice-President of Student Affairs. Upon selection the Student Government Association will ratify the selected recipient.
