6. New Business

a. President Austin Rankin presented a new amendment regarding club presidents to the SGA constitution that will be voted on at our next meeting.

b. Questions Asked:

i. Will the activity portion need to be filled out at every event and activity? *Yes. The activity sheet will need to be turned in before the meeting is over.*

ii. Will the form be a replacement for minutes? *If your club has a meeting, we need the minutes sent to the SGA officers and the form filled out before our next meeting. If your club has an activity, then you can just apply details to the form on attendance, activity, duration, etc.*

iii. At least one SGA officer or senator will attend events and meetings. If the president of your club is a senator, does that cover the attendance requirement? *Yes. This was added to give more responsibility and purpose to the senator's position. We want to show our support to everyone through SGA.*

iv. What constitutes an event? *It needs to be broadcasted to the student body. A movie night, field trip, meeting, etc.*

v. Does homecoming count as an event? *Yes, it just needs to be documented on what the involvement was.*

vi. Are we allowed to do an event with another club? *Both presidents of the club would fill out a form together and that would count as one event for each.*

vii. If a club isn't meeting the requirements, are there any repercussions? *If you can't make the initial meeting, you would be able to meet with the SGA officer team at another time and date. However, if they do not meet the other standards such as hosting two events, attending 80% of meetings, or having monthly meetings, the administration will be notified. We recommend that they meet with the SGA officer team before they are declared an inactive club or organization.*

viii. What about months that we aren't in school as long, such as December and May? *We prefer that you communicate with SGA whether you can host a meeting or not.*

ix. How are we supposed to do minutes in our meetings? *Our 2022-23 Secretary, Cora Beth Taylor, will provide you with a template.*

c. Fund Request from Jaydin Budig with Chem Club

- i. Chem Club requested funding from prior events.
- ii. Vote to grant funds to Chem Club passed with nine senators saying yay and one nay by Kannin Kohen.
