

TITLE: Transition Point III Cohort Retention Graduation Grade Point Average (RGPA) Data

DATA CYCLE: Spring 2024, Fall 2024, Spring 2025

DATA ANALYSIS:

The Transition Point III cohort demonstrates positive momentum, with enrollment growth of 11.1% year-over-year (18 to 20 students) and a significant improvement in GPA of 0.143 points (3.484 to 3.627). The Fall 2024 semester showed a temporary contraction (-5.6%), but Spring 2025 demonstrated a strong recovery (+17.6%).

Metric	Spring 2024	Fall 2024	Spring 2025
Total Enrollment	18	17	20
Weighted Avg GPA	3.484	3.511	3.627
Active Programs	6	6	9

1. Enrollment Patterns

- **Growth Leaders:** Agriculture Education (+1, 300% from its low point), Early Childhood Education (+1, 50%), and four new program activations
- **Declining Programs:** Health & Sports Science (-2, -40%), Elementary Education (-1, -17%), Special Education (lost its single student)
- **New Activations:** Biology and Math Education gained students in Spring 2025

2. Academic Performance

- **Strongest Improvement:** Agriculture Education (+0.49 year-over-year: 3.22→3.71)
- **Top Performers:** Biology Education (3.92), Early Childhood Education (3.78), Agriculture Education (3.71)
- **Areas of Concern:** Four programs showed GPA declines between Fall 2024 and Spring 2025
- **Overall Trend:** Cohort GPA increased every semester, showing a consistent upward trajectory

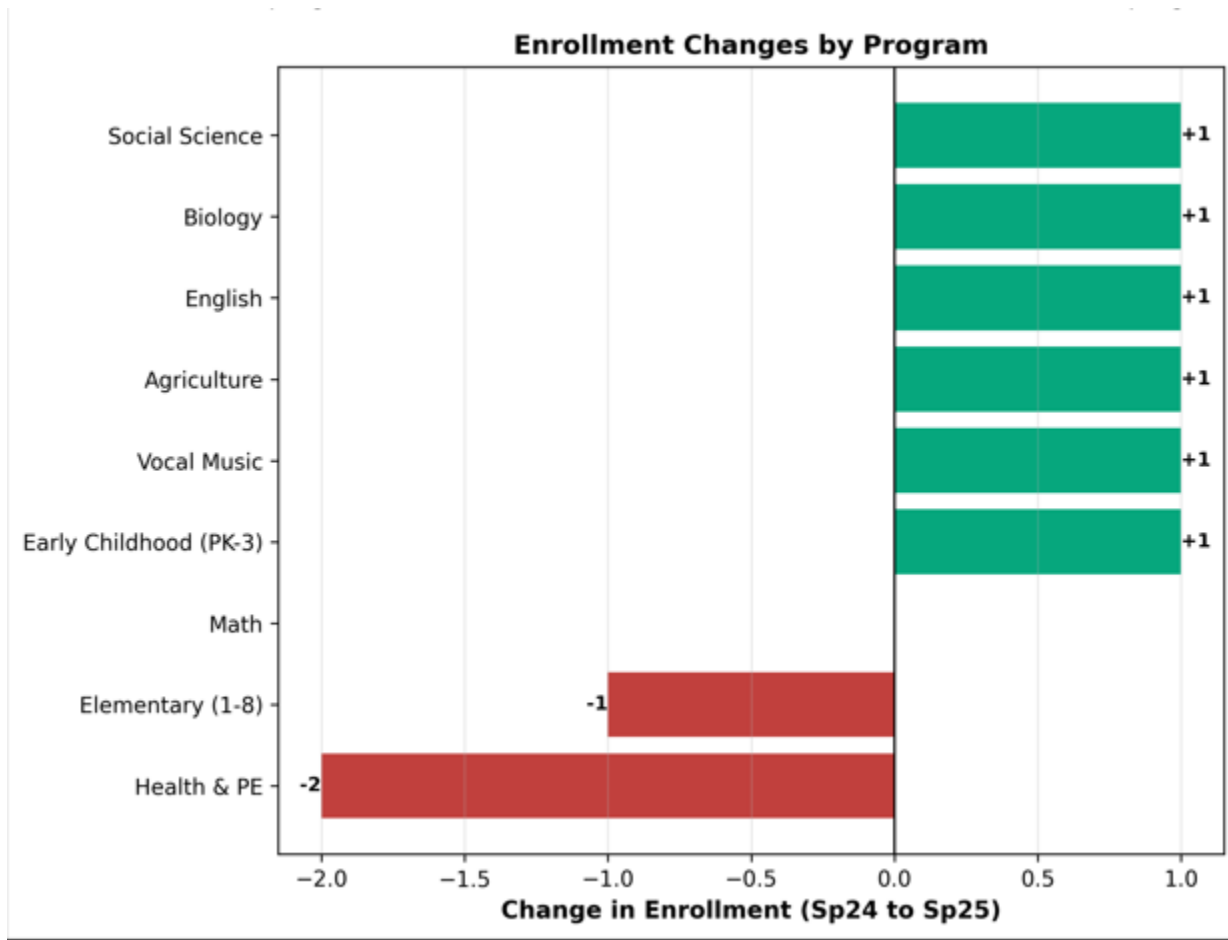

*If data set is for one candidate, GPA data is removed to protect individual student data.
