

On January 20, 2023, the Northwestern Oklahoma State University Faculty Senate unanimously voted to uphold the current law opposing weapons on all NWOSU campuses. The faculty senate has a long history of opposing weapons on campus and supporting laws which ban weapons on all NWOSU campuses.

"Therefore, be it resolved, the members of NWOSU Faculty Senate support maintaining the current law regarding weapons on campus, in which the President has the discretion to allow individuals to carry weapons on campus when the individual circumstances warrant it. We strongly oppose any changes to state law regarding weapons on college and university campuses."
