- ★ After countless discussions and ideas from the Senate members, we decided as a group on two events for each night. For the soccer game, we decided having door prizes and three-legged races where competing teams will have to sign-up for before the game. For the volleyball game, we decided on having door prizes, pie-in-the-face, and trash-ketball matches. The winners get to throw pies at the losers. Whoever makes the most into the trashcans wins. We decided to have a poll of Twitter to see if there would be many people who would be interested in this activity. We will also wear White to the soccer game.
 - **Other Business:**
 - Bonfire-** We asked the members' opinions on the bonfire. We took a vote and everyone but four thought there would be a good turnout.
