NWOSU Professional Development First Amendment, Expressive Speech, and 70 O.S. §2120

Part 1: State Law

- Passed in the 2019 Oklahoma Legislature, signed by the Governor, effective August 30, 2019. Available [online](#).
- In brief, the law requires that, on Oklahoma public colleges and universities campuses, the campus community and the public may use **unrestricted accessible outdoor space** for **non-commercial expressive activities** because this space is now designated by this statute a traditional public forum. As such, this space can be used unless it **materially and substantially disrupts** the functioning of the University subject to non-discriminatory **time, place, and manner restrictions**.
- This law is consistent with historical federal guidance regarding 1st Amendment protected events on this issue, but also requires:
 - New University policy
 - New training for faculty, staff, and students
 - Annual report to the Governor and Legislature
 - Posted on university webpage (<3 links)
 - Notification of lawsuits

Part 2: University Policy

- In accordance with the state law, NWOSU has developed a policy which addresses the bolded key terms above. The policy is available on the NWOSU website under Campus Expression at <https://www.nwosu.edu/student-services>.
- Take time to review the time, place, and manner restrictions.

Part 3: Expectations

- Guide outdoor visitors to the correct resources on the NWOSU website www.nwosu.edu.
- Greet outdoor expressive speech visitors with a *Visitor Information Card* and introducing yourself. Copy of *Visitor Information Card* provided below.

Part 4: Additional Helpful Information

- The University designates the following indoor facilities as *unavailable* for Expressive Activity: administrative offices, laboratories, and (during instructional hours) classrooms.
- It is recommended by the University for the Campus Community and the public to contact the Vice President of Student Affairs and/or the respective Campus Dean if there is a planned Expressive Activity to be held on outdoor areas, so that any questions regarding safety and/or set-up may be discussed. You can contact the Vice President of Student Affairs by email at studentservices@nwosu.edu.
- The Campus Community and the public may reserve indoor space by completing the Facility and Event Registration Form (<https://www.nwosu.edu/forms/event-reservation-form>) online. Reservations should be given at least twenty-four (24) hours advance notice, as defined by the calendar of administrative office days.
- Time, place and manner restrictions are in effect. Please read the policy in its entirety. Examples include:
 - No items may be attached in any manner to trees, bushes, benches, light poles, buildings, vehicles, or permanent signs.
 - Non-commercial pamphlets, handbills, fliers, and other written materials may be distributed on a person-to-person basis in open areas outside of building if done in a way to avoid substantial littering on the campus.
