

**INDEPENDENT SPECIAL CONDITIONS**  
2019-2020

Academic Year

The Department of Education recognizes that special conditions may exist for families who have suffered major reductions in income for various reasons during 2017 or 2018. For those families, the 2017 tax return does not accurately reflect the current financial status. If your family's income has been significantly reduced, you should complete this form and return it to the Financial Aid Office for further consideration of your 2019-2020 eligibility for aid.
