

Northwestern Oklahoma State University  
 Ranger Research Day – Paper Presentation Evaluation  
 November 18, 2022

**Research Title:**

**Author(s):**

| Criteria for Evaluation                              | Points Awarded and Rater Comments |                 |           |
|--|-----------------------------------|-----------------|-----------|
|  | Points Possible:                  | Points Awarded: | Comments: |
| <b>1. Main Idea</b>                                  | (6 possible )                     | -----           |           |
| 1a. Title and Originality of Idea                    | 3                                 |                 |           |
| 1b. Thesis   | 3                                 |                 |           |
| <b>2. Quality of Paper</b>                           | (9 possible)                      | -----           |           |
| 2a. Flow   | 3                                 |                 |           |
| 2b. Content  | 3                                 |                 |           |
| 2c. Format   | 3                                 |                 |           |
| <b>3. Quality of Presentation</b>                    | (9 possible)                      | -----           |           |
| 3a. Engagement with audience (eye contact, etc.)     | 3                                 |                 |           |
| 3b. Speaks slowly and distinctly                     | 3                                 |                 |           |
| 3c. Professionalism (Well-dressed and groomed, etc.) | 3                                 |                 |           |
| <b>4. Quality of Research</b>                        | (12 possible)                     | -----           |           |
| 4a. Theoretical base/hypothesis                      | 4                                 |                 |           |
| 4b. Research Materials and Methods                   | 4                                 |                 |           |
| 4c. Conclusion                                       | 4                                 |                 |           |
|  |                                   |                 |           |
| <b>Total score</b>                                   | (36 possible)                     |                 |           |
