1. Firmed up plans for the International Student Pot Luck dinner on Thursday, December 16, 2010, 12:00 – 5:00 p.m. in the Ranger Perk room. Julie has indicated there are 6 students confirmed for the dinner. We decided with only 6 students we did not need to send the email to all staff about the dinner. David is cooking a turkey and fixing gravy, the rest of us are bringing sides, desserts, appetizers, etc... David has made arrangements with Chartwells to have access to the fridge, oven, etc...
2. Movie selected for the afternoon entertainment is “ELF”. Angelia has a copy and will have the projector and screen.
3. Lisa was going to check on November Kudos. No December-January Kudos due to break
4. Kelly Black, our Enid representative, has resigned. We will need to see about replacing her.
