OKLAHOMA STATE UNIVERSITY

DIVISION OF BUSINESS

**AY 2014-2015  
ASSESSMENT REPORT**

Issued: Spring 2016

The Division of Business faculty decided effective in AY 2014-2015 the Peregrine Academic Services Assessment Test (PAS) would replace the Major Field Test (MFT). The faculty believed that the PAS provided many benefits that the MFT did not. Among these benefits is having the raw data to be able to analyze, assessing the ACBSP Common Professional Component, breadth of outside benchmarking opportunities and the pretest/posttest model. (See Appendix 1 for more discussion of the decision.) Because of the change in the program assessment test, several of the measures regarding the program outcomes were changed. This has resulted in only two points of data available from PAS testing.

Because the change in assessment test would require changing some of the benchmarks and targets, the Division of Business faculty decided that an entire review of the assessment plan would be appropriate. An ad hoc committee was formed to review the program outcomes and assessment. The ad hoc committee made recommendations to the Division of Business faculty. The faculty unanimously adopted a new Assessment Plan effective with the 2014-2015 academic year.

As a result of the changes, many assessment measures only have only one or two data points (Fall 2014 and/or Spring 2015). The program outcomes and measurements that were not changed will have more data points.

**Program Outcomes for All Division of Business**

**1. Graduating students should have basic knowledge of the 12 disciplines of the ACBSP Undergraduate Common Professional Component.**

During the MGMT 4433 Business Policy course the students will take the Peregrine Academic Services Assessment Test (PAS).

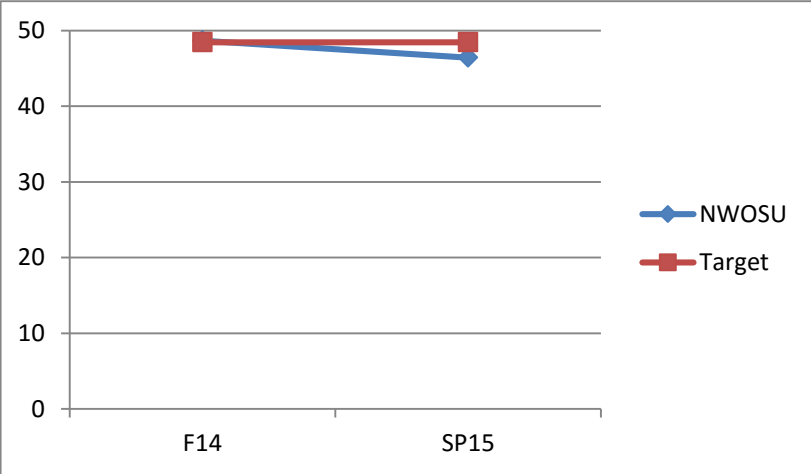

**Measure 1**

Analysis of Results														
Performance Measure (Competency)	Description of Measurement Instrument	Areas of Success	Analysis and Action Taken	Results of Action Taken (occurs in the following year)	Insert Graphs or Tables of Resulting Trends for 3-5 Years (please graph all available data up to five years)									
60% of the students will score above the 50 <sup>th</sup> percentile on the PAS	Peregrine Assessment Test  Direct External Summative Comparative	Performance is below target.	Two semesters of data are insufficient for meaningful analysis.  After AY 2015-2016, when there are four data points, the faculty will examine the results for trends and issues. After AY 2016-2017, the results will be annualized.	Because the Division of Business switched from Major Field Test to Peregrine in AY 2014-2015, there is no action to be reviewed.  The faculty in receiving the results from the Peregrine exam do agree that the decision to change from the Major Field Test will be beneficial to the program and the students.	<p>The graph displays two data series: '% At or above 50th Percentile' (blue line with diamond markers) and 'Target' (red horizontal line with square markers). The Y-axis ranges from 0% to 70% in 10% increments. The X-axis has two points: F14 and SP15. The blue line starts at approximately 26% for F14 and rises to approximately 38% for SP15. The red target line is constant at 60%.</p> <table border="1"> <thead> <tr> <th>Year</th> <th>% At or above 50th Percentile</th> <th>Target</th> </tr> </thead> <tbody> <tr> <td>F14</td> <td>~26%</td> <td>60%</td> </tr> <tr> <td>SP15</td> <td>~38%</td> <td>60%</td> </tr> </tbody> </table>	Year	% At or above 50th Percentile	Target	F14	~26%	60%	SP15	~38%	60%
Year	% At or above 50th Percentile	Target

**Measure 3**

		<b>Analysis of Results</b>												
Performance Measure (Competency)	Description of Measurement Instrument	Areas of Success	Analysis and Action Taken	Results of Action Taken	Insert Graphs or Tables of Resulting Trends for 3-5 Years (please graph all available data up to five years)									
80% of the students must score at or higher than acceptable on a faculty-approved rubric.	Detailed analyses were assessed using the Written Communication Assessment Rubric (Plan Attachment 2)  Direct Summative Internal	Performance is below target.	The rubric for measuring this learning outcome was just introduced in AY 2014-2015. Therefore, there is not sufficient data from this measure to make any conclusions.  However, based on prior assessment of written communication skills, it was determined that written communication skills were not being introduced to students. In AY 2015-2016 a new required course was added to the Business and Accounting curricula – Business Environment. In that class business writing skills are introduced to the students.	Because Business Environment was introduced in AY 2015-2016, it will be AY 2017-2018 before any meaningful data will be available to assess the success of this action.	<p><b>Communication Skills</b></p> <table border="1"> <caption>Communication Skills Data</caption> <thead> <tr> <th>Term</th> <th>NWOSU</th> <th>Target</th> </tr> </thead> <tbody> <tr> <td>F14</td> <td>45</td> <td>80</td> </tr> <tr> <td>SP15</td> <td>55</td> <td>80</td> </tr> </tbody> </table>	Term	NWOSU	Target	F14	45	80	SP15	55	80

		<b>Analysis of Results</b>																					
Performance Measure (Competency)	Description of Measurement Instrument	Areas of Success	Analysis and Action Taken	Results of Action Taken	Insert Graphs or Tables of Resulting Trends for 3-5 Years (please graph all available data up to five years)																		
80% of the students must score at or higher than acceptable on a faculty-approved rubric.	Stockholder presentations were assessed by faculty using the Presentation Assessment Rubric (Plan Attachment 1)  Direct Summative Internal	Throughout the observation period, the goal has been met.  AY 2014-2015 scores dropped to minimum competency level.	The assessment for this outcome provided data that demonstrated that students exceeded or met the expected level of assessment for communication skills.  In AY 2014-2015 the rubric for evaluating SLO. was changed because the prior rubric was not discriminating enough to facilitate continuous improvement.  After AY 2016-2017 (when four data points are available) the faculty will examine the data for trends and issues.	Changing the rubric appears to result in new more beneficial data to analyze for continuous improvement.	<p><b>Communication Skills</b></p> <table border="1"> <caption>Communication Skills Data</caption> <thead> <tr> <th>Year</th> <th>NWOSU</th> <th>Target</th> </tr> </thead> <tbody> <tr> <td>AY 2010-11</td> <td>92</td> <td>80</td> </tr> <tr> <td>AY 2011-12</td> <td>98</td> <td>80</td> </tr> <tr> <td>AY 2012-13</td> <td>98</td> <td>80</td> </tr> <tr> <td>AY 2013-14</td> <td>98</td> <td>80</td> </tr> <tr> <td>AY 2014-2015</td> <td>80</td> <td>80</td> </tr> </tbody> </table>	Year	NWOSU	Target	AY 2010-11	92	80	AY 2011-12	98	80	AY 2012-13	98	80	AY 2013-14	98	80	AY 2014-2015	80	80

Performance Measure (Competency)	Description of Measurement Instrument	Areas of Success	Analysis and Action Taken	Results of Action Taken (occurs in the following year)	Insert Graphs or Tables of Resulting Trends for 3-5 Years (please graph all available data up to five years)																		
80% of the students must score at or higher than the acceptable on a faculty-approved rubric.	Peer Evaluations  Indirect Summative Internal	The students have generally scored slightly lower than the target. The past three years, students are performing at or above target.	In AY 2012-13 team simulations were added to MRKT 3043 and GBUS 3953 to give students more opportunities to develop teamwork skills.	It appears that introducing more teamwork opportunities earlier in the curriculum has improved interpersonal communication and team skills by the time students graduate.	<table border="1"> <caption>Performance Trends Data</caption> <thead> <tr> <th>Year</th> <th>NWOSU</th> <th>Target</th> </tr> </thead> <tbody> <tr> <td>AY2010-11</td> <td>68</td> <td>80</td> </tr> <tr> <td>AY2011-12</td> <td>62</td> <td>80</td> </tr> <tr> <td>AY2012-13</td> <td>78</td> <td>80</td> </tr> <tr> <td>AY2013-14</td> <td>95</td> <td>80</td> </tr> <tr> <td>AY2014-15</td> <td>90</td> <td>80</td> </tr> </tbody> </table>	Year	NWOSU	Target	AY2010-11	68	80	AY2011-12	62	80	AY2012-13	78	80	AY2013-14	95	80	AY2014-15	90	80

**PROGRAM GOALS FOR ACCOUNTING MAJOR**

**1. Graduating students should have appropriate accounting software skills.**

In ACCT 4133 Accounting Information Systems a computer software project with a written report would be an internal measure of the students' accounting/bookkeeping software skills

**Measure 1**

Analysis of Results											
Performance Measure (Competency)	Description of Measurement Instrument	Areas of Success	Analysis and Action Taken	Results of Action Taken (occurs in the following year)	Insert Graphs or Tables of Resulting Trends for 3-5 Years (please graph all available data up to five years)						
80% of the students will score at or higher than acceptable on a faculty-approved rubric	In ACCT 4133 Accounting Information Systems students complete a computer software project with a written report as assessed by Accounting/Bookkeeping Software Assessment Rubric (Plan Attachment 7)  Direct Summative Internal	No data reported for Fall 2014	Instructor for ACCT 4133 left his/her position as full-time faculty, and failed to report assessment results for this class.  This measure was added in AY 2014-2015. The class is only offered in the fall semester.  When a replacement faculty member is hired, the assessment committee chair and the division chair will meet with that faculty member to discuss the importance of assessment.	No action to be reviewed.	<table border="1"> <caption>Graph Data</caption> <thead> <tr> <th>Year</th> <th>NWOSU</th> <th>Target</th> </tr> </thead> <tbody> <tr> <td>F14</td> <td>80</td> <td>80</td> </tr> </tbody> </table>	Year	NWOSU	Target	F14	80	80
Year	NWOSU	Target									
F14	80	80									

**PROGRAM GOALS FOR ACCOUNTING MAJOR**

**1. Graduating students should have appropriate accounting software skills.**

In ACCT 3153 Cost Accounting I there will be an Excel-based project.

**Measure 2**

		Analysis of Results			
Performance Measure (Competency)	Description of Measurement Instrument	Areas of Success	Analysis and Action Taken	Results of Action Taken (occurs in the following year)	Insert Graphs or Tables of Resulting Trends for 3-5 Years (please graph all available data up to five years)
80% of the students will score at or higher than acceptable on a faculty-approved rubric	In ACCT 3153 Cost Accounting I there will be an Excel-based project, as assessed by Accounting Student Excel Assessment Rubric (Plan Attachment 8)  Direct Summative Internal	Performance is below target.*	This rubric and measure was added in AY 2014-2015. One semester of data is insufficient for meaningful analysis.  The professor has been advised to use the faculty approved rubric in the future. The class is only taught in the fall semester.	No action to be reviewed.	<p>The graph displays a single data point for F14. The vertical axis (y-axis) is labeled from 0 to 90 in increments of 10. The horizontal axis (x-axis) is labeled 'F14'. A legend on the right indicates that a blue diamond represents 'NWOSU' and a red square represents 'Target'. The 'NWOSU' data point is located at approximately 62 on the y-axis, while the 'Target' is a red square located exactly at 80 on the y-axis.</p>

\* Data for Fall 2014 was based, in part, on the use of a non-approved rubric.

**PROGRAM GOALS FOR ACCOUNTING MAJOR**

**1. Graduating students should have appropriate accounting software skills.**  
 In ACCT 3133 Individual Income Tax there will be an income tax software-based project.

**Measure 3**

		Analysis of Results			
Performance Measure (Competency)	Description of Measurement Instrument	Areas of Success	Analysis and Action Taken	Results of Action Taken (occurs in the following year)	Insert Graphs or Tables of Resulting Trends for 3-5 Years (please graph all available data up to five years)
80% of the students will score at or higher than acceptable on a faculty-approved rubric	In ACCT 3133 Individual Income Tax there will be an income tax software-based project, as assessed using Income Tax Software Assessment Rubric (Plan Attachment 9)  Direct Summative Internal	No data reported for Fall 2014	Instructor for ACCT 3133 left his/her position as full-time faculty, and failed to report assessment results for this class.  This measure was added in AY 2014-2015. The class is only offered in the fall semester.  When a replacement faculty member is hired, the assessment committee chair and the division chair will meet with that faculty member to discuss the importance of assessment.	No action to be reviewed.	<p>The graph displays two data points for the Fall 2014 (F14) semester. The vertical axis represents the percentage of students meeting the performance measure, ranging from 0 to 90 in increments of 10. The horizontal axis is labeled 'F14'. A blue diamond marker, representing 'NWOSU', is positioned at the 0 mark on the y-axis. A red square marker, representing the 'Target', is positioned at the 80 mark on the y-axis. A legend on the right side of the graph identifies the blue diamond as 'NWOSU' and the red square as 'Target'.</p>

**PROGRAM GOALS FOR ACCOUNTING MAJOR**

**1. Graduating students should have appropriate accounting software skills.**

In MGMT 4433 Business Policy, students will submit a detailed analysis demonstrating MS Word competency.

**Measure 4**

Analysis of Results														
Performance Measure (Competency)	Description of Measurement Instrument	Areas of Success	Analysis and Action Taken	Results of Action Taken (occurs in the following year)	Insert Graphs or Tables of Resulting Trends for 3-5 Years (please graph all available data up to five years)									
80% of the students will score at or higher than acceptable on a faculty-approved rubric	In MGMT 4433 Business Policy, students will submit a detailed analysis demonstrating MS Word competency, using MS Word Assessment Rubric (Plan Attachment 10)  Direct Summative Internal	Performance is above and/or below target.	This is a new rubric that was added in AY 2014-2015. The rubric was not measuring the proper skills.  After AY 2015-2016, when there are four data points, the faculty will examine the results for trends and issues. After AY 2016-2017, the results will be annualized.	After AY 2015-2016, the faculty will analyze switching the rubric to determine if the switch met faculty goals.	<table border="1"> <caption>Graph Data</caption> <thead> <tr> <th>Year</th> <th>NWOSU</th> <th>Target</th> </tr> </thead> <tbody> <tr> <td>F14</td> <td>100</td> <td>80</td> </tr> <tr> <td>SP15</td> <td>75</td> <td>80</td> </tr> </tbody> </table>	Year	NWOSU	Target	F14	100	80	SP15	75	80
Year	NWOSU	Target												
F14	100	80												
SP15	75	80												

**PROGRAM GOALS FOR ACCOUNTING MAJOR**

**2.** Graduating students should know the accounting standards of the accounting profession.  
 In ACCT 3103 Intermediate Accounting I students will take a test regarding Accounting standards

**Measure 1**

Analysis of Results											
Performance Measure (Competency)	Description of Measurement Instrument	Areas of Success	Analysis and Action Taken	Results of Action Taken (occurs in the following year)	Insert Graphs or Tables of Resulting Trends for 3-5 Years (please graph all available data up to five years)						
80% of the students will score 80% or higher on the test.	Standards test in ACCT 3103  Direct Formative External	Performance is below or near target.	This test was added in AY 2014-2015. The class is only taught in the fall semester. One semester of data is insufficient for meaningful analysis.  After AY 2016-2017, when there are three data points, the faculty will examine the data to determine any trends or issues.	No action to be reviewed.	<table border="1"> <caption>Data for Performance Graph</caption> <thead> <tr> <th>Category</th> <th>Value</th> </tr> </thead> <tbody> <tr> <td>NWOSU</td> <td>77.0</td> </tr> <tr> <td>Target</td> <td>80.0</td> </tr> </tbody> </table>	Category	Value	NWOSU	77.0	Target	80.0

**PROGRAM GOALS FOR TECHNICAL MANAGEMENT MAJOR**

**1)** Graduating students should have added commentary knowledge of business principles to the skills gained from their career specialty. Students will take a pre-test administered by their advisor before taking their first class after declaring the major. A post-test will be administered in MGMT 4433 Business Policy.

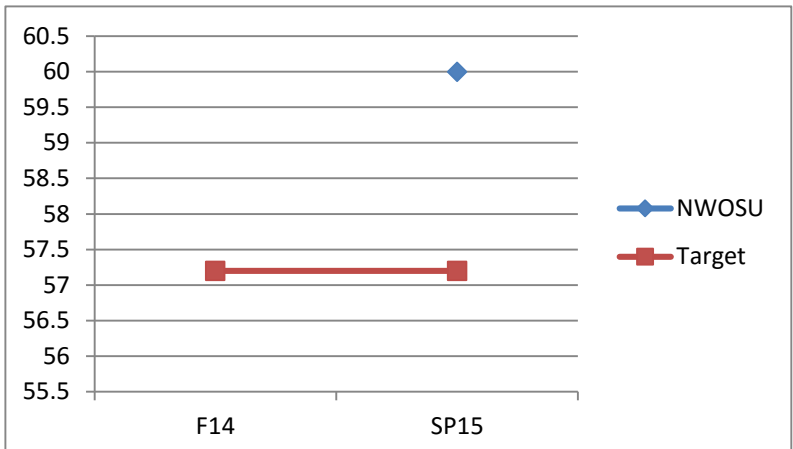

**Measure 1**

		<b>Analysis of Results</b>			
Performance Measure (Competency)	Description of Measurement Instrument	Areas of Success	Analysis and Action Taken	Results of Action Taken (occurs in the following year)	Insert Graphs or Tables of Resulting Trends for 3-5 Years (please graph all available data up to five years)
80% of the students will show at least a 50% reduction in errors from the pre-test.	<p>A pretest will be administered by the program advisor before students take their first class in the program.</p> <p>A post-test will be administered in the MGMT 4433 Business Policy.</p> <p>Direct Summative Internal</p>	<p>This goal, and thus this measure, began with AY 2010-11.</p> <p>Therefore there has been no measurement yet, as no students have gone through the program having taken the pre-test.</p>	<p>With the implementation of the Peregrine Academic Services assessment test (See Appendix 1), this test will be used as the pretest/posttest. The Assessment Committee will make a determination as to the appropriate test sections to be used for this measurement.</p>	None to be reviewed.	<div style="border: 1px solid black; padding: 10px; width: fit-content; margin: auto;"> <p>No Technical Management major has taken both the pre-test and the post-test.</p> </div>

**2) Graduating students should recognize ethical conduct in Business.**

Graduating students will take the PAS test in MGMT 4433 Business Policy class.

**Measure 1**

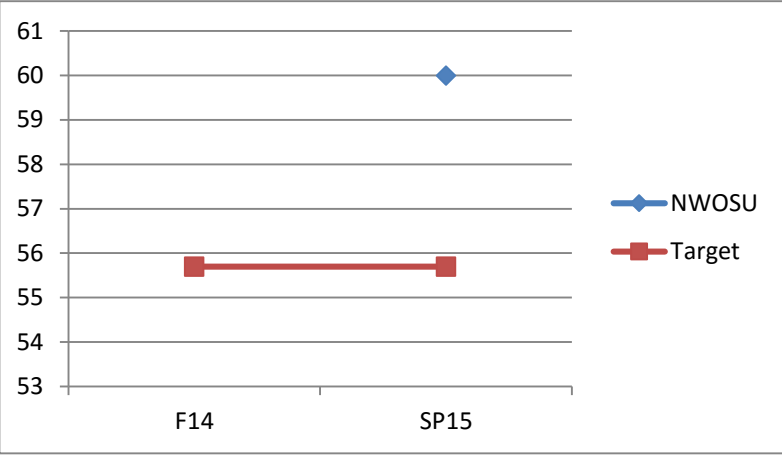

Performance Measure (Competency)	Description of Measurement Instrument	Areas of Success	Analysis and Action Taken	Results of Action Taken (occurs in the following year)	Insert Graphs or Tables of Resulting Trends for 3-5 Years (please graph all available data up to five years)									
On the Ethics section (Business or Accounting) collectively the students in the testing cohort should be at or above the 50 <sup>th</sup> percentile.	PAS  Direct Summative External	Performance is above target. In this measure N=1.	One semester of data is insufficient for meaningful analysis.  Take no action until there is sufficient data to make reasonable conclusions.	No action to review.	 <p>The graph displays performance data for two time periods: F14 and SP15. The vertical axis represents a score from 55.5 to 60.5 in increments of 0.5. Two data series are shown: 'NWOSU' (blue diamonds) and 'Target' (red squares). For F14, the Target is at 57. For SP15, the Target is also at 57, and the NWOSU performance is at 60.</p> <table border="1"> <thead> <tr> <th>Year</th> <th>NWOSU</th> <th>Target</th> </tr> </thead> <tbody> <tr> <td>F14</td> <td>-</td> <td>57</td> </tr> <tr> <td>SP15</td> <td>60</td> <td>57</td> </tr> </tbody> </table>	Year	NWOSU	Target	F14	-	57	SP15	60	57
Year	NWOSU	Target												
F14	-	57												
SP15	60	57												

There were no students in the Technical Management major in MGMT 4433 in Fall 2014.

**2) Graduating students should recognize ethical conduct in Business.**

Graduating students will take the PAS test in MGMT 4433 Business Policy class.

**Measure 2**

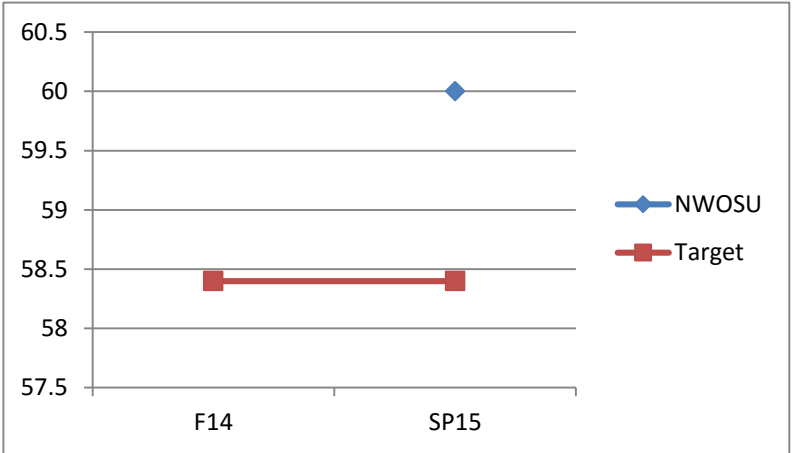

Performance Measure (Competency)	Description of Measurement Instrument	Areas of Success	Analysis and Action Taken	Results of Action Taken (occurs in the following year)	Insert Graphs or Tables of Resulting Trends for 3-5 Years (please graph all available data up to five years)									
On the Ethics section (Business or Accounting) the testing cohort frequency correct score will be higher than the ACBSP Region 6 frequency correct score	PAS Direct Summative External	Performance is above target. In this measure N=1.	One semester of data is insufficient for meaningful analysis.  Take no action until there is sufficient data to make reasonable conclusions.	No action to review.	 <p>The graph displays performance trends for NWOSU and a target. The y-axis represents the frequency correct score, ranging from 53 to 61. The x-axis shows two data points: F14 and SP15. NWOSU performance is shown as a blue diamond at 60 in SP15. The target is shown as a red square at 56 in both F14 and SP15. A horizontal red line connects the two target points.</p> <table border="1"> <caption>Performance Data from Graph</caption> <thead> <tr> <th>Year</th> <th>NWOSU Score</th> <th>Target Score</th> </tr> </thead> <tbody> <tr> <td>F14</td> <td>-</td> <td>56</td> </tr> <tr> <td>SP15</td> <td>60</td> <td>56</td> </tr> </tbody> </table>	Year	NWOSU Score	Target Score	F14	-	56	SP15	60	56

There were no students in the Technical Management major in MGMT 4433 in Fall 2014.

## APPENDIX 1

In Spring 2014, the Division of Business faculty made the decision to change the assessment test from the Major Field Test (MFT) administered by ETS to the Peregrine Academic Services assessment test (PAS). The faculty believed the PAS test was a better fit for our assessment efforts for the following reasons:

- pre-test/post-test model
- separate Accounting and Business Administration tests
- PAS test tests the 12 CPC components of ACBSP standards
- Ability to customize the exams
- No proctor requirement – beneficial for online students
- Availability of raw data
- Pay as you go versus pre-payment of tests in blocks
- Longitudinal reporting availability
- Unlimited options regarding cohorts
- Immediate availability of results
- Subject-level analysis

Therefore, starting in Fall 2014, the PAS assessment test will be administered instead of the MFT.
