

Northwestern Oklahoma State University will offer \$100* to all NWOSU students and employees who receive the COVID-19 vaccination.

Eligibility

- Any currently enrolled students for the spring 2022 semester
- Any current full-time employees
- Any current part-time employees

Definitions

- Fully Vaccinated – To be considered fully vaccinated, a student or employee must receive two doses of the Pfizer or Moderna vaccines, one dose of the Johnson and Johnson vaccine, or any WHO-approved vaccine
- Student – Actively enrolled in at least 1 credit hour for the spring 2022 semester
- Employee – Full-time or part-time employee with NWOSU
- **Any person who is enrolled as a student and employed as a student worker, will be categorized as a student. Any full-time or part-time employee, who is also taking classes, will be considered an employee.**

Incentive

- \$100* per eligible person who submits proper verification showing fully vaccinated

Approved Vaccinations

- Moderna and Pfizer (2 doses) or Johnson and Johnson (1 dose)
- Any World Health Organization (WHO) approved vaccines

Incentive Dates & Payments

- Program begins August 16, 2021
- Any student or employee who has been vaccinated prior to August 16 must show vaccination record to receive the incentive payment

Payment Schedule

For individuals who have successfully completed the vaccination process for COVID-19 and submitted verification, the below schedule will be followed for incentive payment:

- Submission by September 8, 2021, will be paid on September 17, 2021
- Submission by October 6, 2021, will be paid on October 18, 2021
- Submission by November 19, 2021, will be paid on December 1, 2021
- Submission by February 10, 2022, will be paid on February 21, 2022

Submission Process

- Student - To enter the program, you must take a picture of the front and back of your vaccination card. Send the two pictures, name, and student ID number to covid@nwsu.edu by dates mentioned above, or visit student services.
- Employee - To enter the program, you must take a picture of front and back of your vaccination card. Send the two pictures and your name to covid@nwsu.edu by dates mentioned above, or visit Human Resources Director, Cheryl Ellis.

Vaccination Opportunities on the NWOSU Alva Campus

- September 3 - J.R. Holder Wellness Center
- September 24 – Ranger Room located in the Student Center
- October 25 – Woodward Campus
- January 13 – J.R. Holder Wellness Center

Tips to complete vaccination before incentive deadline

- Since two dose vaccinations (Moderna and Pfizer) require a wait time of 21-28 days between vaccination doses, you are encouraged to schedule your first vaccination dose as early as possible
- Please make sure to be well-hydrated and nourished before receiving any dose of the vaccination as requested by the Oklahoma Health Department
- Reactions to the vaccination may vary - call your physician or local health care provider if a reaction occurs

Any vaccination record submitted for the purpose of this incentive program will be protected and used exclusively for the purposes described above.

*All students must sign up for the direct deposit option through the business office to receive their \$100. All employee monies will be subject to taxes and will be paid through payroll.

For students who cannot be vaccinated due to medical conditions or sincere religious objections, fill out the exemption form [here](#). Students and employees must send a receipt of this form to covid@nwsu.edu.
