OUR MISSION

We provide quality education and cultural opportunities to learners with diverse needs.

OUR VISION

We are an innovative regional university whose students succeed and lead in their endeavors.

BELIEFS & VALUES

Academic Excellence

We provide the best possible educational experience for every student by focusing on quality teaching and responding to the learning needs of each student.

Accessibility

We are a multiple site regional university committed to maintaining affordability and seeking new methods of delivering to our constituencies.

Community

We create a sense of community that extends beyond our campus boundaries by promoting institutional and individual service to others.

Diversity

We promote the expression of differing opinions and beliefs and value the differences in every individual.

Responsibility

We will maintain the highest levels of ethical standards and accountability.
